ASSISTANT SECRETARIAT
16 JUN 1955
CHIEF SECRETARIAT

Sub: NATIONAL EXTENSION SERVICE - Manjeshwar Block - Veterinary dispensary (N.E.S.), Manjeshwar - Medical indent for 1955-56 Purchase of microscope locally - Requested.

Ref: 1. Letter No.1944.Pub.(RDP)-V/55-1 of Public (RDP) Dept.,
2. No.1499/55 dated 18-4-55 of Dy.Assistant Director General, Madras.

-:0:-

In the reference (2) cited above, I have been intimated that there is no stock microscope in Medical Store Depot, Madras.

2. The Extension Officer (Animal Husbandry), Manjeshwar has represented to me that a microscope for the use of the Veterinary First Aid Centre, (N.E.S.), Manjeshwar is quite essential since the cases available for treatment in this locality happen to be somewhat complicated and require urgent microscopical examination of clinical materials to come to a diagnosis and ~~there~~ then adopt proper treatment. Now these materials are being sent to Madras Veterinary college and the results of their examination are received here in about 10 to 15 days after submission. A microscope has been asked for in his medical indent for 1955-56.

3. Microscopes are available in market in Madras city (Messrs.Adair Dutt and Company, Mount Road, Madras and others) and they do not cost more than what they cost in Government Medical Store Depot, Madras. Now that the Medical Store Depot has no stock of microscopes, I request that I may be permitted to purchasee a suitable one (approximate cost e Rs. 1,200/-) from market in Madras city.

4. If the purchase of the microscope ~~xfxxtx~~ is sanctioned, the fact may be intimated to the Medical store depot, Madras with reference to the Director's reference (2) cited above so that the laboratory applieances included for the use of the microscope may be supplied from the Medical store depot.

Sub: INDENT - Medical - Annual for veterinary dispensary, Manjeshwar (S.K.D.) forward of.

I forward herewith an annual medical indent for the medical stores required for the Veterinary dispensary, Manjeshwar (S.K.D.) for being transmitted to the Medical Stores depot, Madras for compliance.

2. The Medical stores depot may also be informed that if the indent for the microscope is not complied with the laboratory appliances and stains indented for under section 17 need not be supplied.

/ true copy /

Copy to the Block Development Officer, Manjeshwar. The spirit preparations have been disallowed and should be claimed in a separate indent with a transport permit.

2. Microscopes are not generally available for supply in the medical stores depot and if they are available a permit should be obtained from the Director of General of Health Services, New Delhi. However the microscope and its accessories have been allowed to stand in the indent.
